Collapsible Reel-Deal Cable Caddy

The Ultimate Heavy-Duty, Portable Solution for Effortless Cable Dispensing. The U-TECK Collapsible Reel-Deal Cable Caddy is a rugged, highly versatile dispensing system engineered specifically for telecom, utility, and electrical field operations.

Designed to streamline the transport and deployment of heavy spools, this heavy-duty caddy accommodates multiple cable types, fiber-optic drops, pull tapes, tracer wires, and more. Featuring an innovative modular spindle and a collapsible footprint, the Reel-Deal blends high-capacity performance with compact storage efficiency, making it an indispensable asset for single-operator field jobs.

HAND SCREW

Easy assembly and disassembly without tools

FULLY WELDED

Provides higher strength

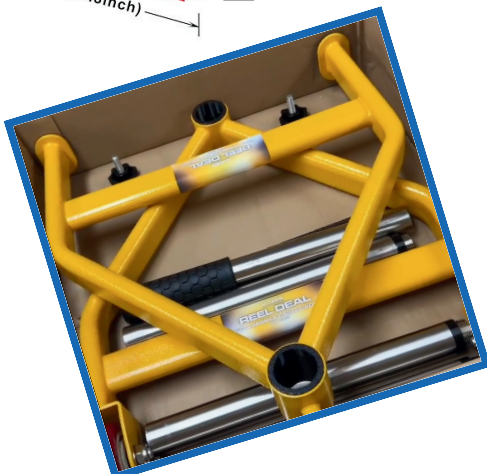

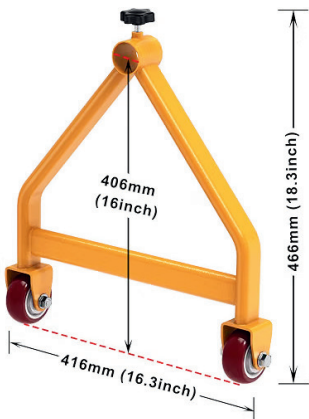

SILENT WHEELS

Better protection for floor

Features:

- **Modular Spindle System:** Features (4) 12" adjustable stainless steel segments.
- **Organize Your Electrical Wires:** Keep your wire spools neat and accessible. Match the spool bar to your needs to hold and pull multiple spools.
- **Fits Various Spool Sizes:** Wire caddy can hold wire reels up to 28" in diameter, with a maximum weight capacity of 220 pounds.
- **Durable And Portable:** Our wire spool holder is made of steel, fully welded, and has a yellow powder-coated surface, making it durable. Easily disassembled for transportation and storage.
- **Easy To Assemble:** Simply place your wire spools on the spool bar and secure them with the hand screws. No tools required, wire caddy can be assembled and disassembled in minutes.
